

What is ITE?

stands for
**Institute of
Transportation
Engineers**

a global
community of
18,000+
**engineers,
planners, and
researchers**

networking,
mentorship, and
scholarship
**opportunities for
students**

a community of
**transportation
professionals**

FREE membership for ALL students

ITE @ UW

student-led group

50+ members

since **1974**

open to all students with an
interest in transportation

the **first student
chapter in Canada**

How can I join?

ITE membership is **free for students!** Scan the QR code below or visit ite.org/membership/students to get started.

Fill out the form, entering all required information. When you reach the “Demographics” page, please select **University of Waterloo** as your student chapter.

You must also choose which section to join. Please select **“SOUTHWESTERN ONTARIO SECTION”** when you reach the “Selections” page.

You can then add this selection to your cart and check out. Again, students are not required to pay any dues.

Scan the QR code to the right or visit linktr.ee/uwite for information about upcoming events and to follow all our socials. We can't wait to meet you!
