

ITE UW Position Descriptions

Team Member Positions:

Reminder that each positions' descriptions can be flexible to whatever you are interested in/aligns with your skills

Events Team

Join our team as an Events Member and play a crucial role in supporting the Events director in planning and executing successful events.

- Collaborate with the Events Director and other volunteers to brainstorm event concepts, workshops, and ideas. Typical tasks include brainstorming and creating materials for our social events, such as Geoguessr or trivia, as well as providing your own input on the professionals we invite to speak.
- Help with event logistics, including coordinating with vendors, arranging equipment and supplies, and managing event setup and teardown, as needed. Typical tasks include researching food vendors and delivering them to our events.
- Assist in venue research and selection, considering factors such as accessibility, capacity, and suitability for the event objectives. Typical tasks include drafting emails to faculty to book rooms.
- Assist in event registration processes using Microsoft Forms and managing attendee lists.
- Assist in event day operations, including on-site coordination, registration assistance, and ensuring a positive participant experience (also asking questions to our speakers :D).
- Provide feedback and suggestions to the Event Director for continuous improvement of event planning and execution processes.

Media Team

Join our team as a Media Member and contribute to enhancing social media presence/brand.

- Create visually appealing social media posts to promote the chapter using Canva (we provide a Canva Pro account), while also ensuring that they match with ITE branding. This is typically in the form of our graphics on social media but can also include reels for our Instagram
- Collaborate with the Media Director and other volunteers to brainstorm creative ideas and concepts for social media campaigns.
- Monitor social media platforms for comments, messages, and mentions, promptly responding and engaging with the audience.
- Maintain the chapter's online links, including our [website](#), domain (ite.fyi) on [GitHub](#), and [linktree](#).
- Contribute to our monthly newsletter, which includes writing brief articles about transportation and updates within the chapter/university.
- Assist the Media Director (Fiona) in designing and procuring merchandise for the chapter to sell. This can include digitally designing stickers and posters as well as researching merchandise vendors.

Outreach Team

Join our team as an Outreach Member and contribute to the operations of our Chapter by contacting potential guest speakers, other clubs/associations to collaborate with and sponsors for funding.

- Contact potential sponsors, speakers, and faculty to aid in the operations of the chapter.
- Manage the outreach master sheet, ensuring that contact information with sponsors and speakers remains updated.
- Create comprehensive sponsorship packages that offer flexible ways for companies to become a sponsor of ITE UW.
- Maintain seasonal contact with sponsors, creating gift packages to show appreciation towards sponsors.
- Perform class visits and other outreach related initiatives to promote the chapter to students.
