

ITE UW Position Descriptions

Team Member Positions:

Reminder that each position does not lock you into a specific role/task. You are free to move around between different tasks depending on what the team needs and what aligns with your skillset.

Events Team

Join our team as an Events Volunteer and play a crucial role in supporting the Events director in planning and executing successful events.

- Collaborate with the Event Director and other volunteers to brainstorm event concepts, workshops, and ideas.
- Assist in venue research and selection, considering factors such as accessibility, capacity, and suitability for the event objectives.
- Help with event logistics, including coordinating with vendors, arranging equipment and supplies, and managing event setup and teardown, as needed.
- Assist in event registration processes, including managing attendee lists, handling ticket sales, and ensuring a smooth check-in experience for participants.
- Assist in event day operations, including on-site coordination, registration assistance, and ensuring a positive participant experience.
- Provide feedback and suggestions to the Event Coordinator for continuous improvement of event planning and execution processes.

Media Team

Join our team as a Media Volunteer and contribute to enhancing social media presence/brand.

- Create compelling and visually appealing social media posts to promote chapter activities, events, and initiatives.
- Write catchy headlines and captions that captivate the audience's attention and encourage interaction.
- Utilize design tools such as Canva to create eye-catching graphics and visuals that align with the chapter's branding.
- Use video editing tools and software to develop engaging video content, including event highlights, interviews, and educational snippets.
- Collaborate with the Media Director and other volunteers to brainstorm creative ideas and concepts for social media campaigns.
- Stay updated on social media trends and best practices to ensure content remains relevant and engaging.
- Assist in managing the content calendar and scheduling social media posts for optimal timing and frequency.
- Monitor social media platforms for comments, messages, and mentions, promptly responding and engaging with the audience.

Outreach Team

Join our team as an Outreach Volunteer and contribute to the operations of our Chapter by contacting potential guest speakers, other clubs/associations to collaborate with and sponsors for funding.

- Contact potential sponsors, speakers, and faculty to aid in the operations of ITE UW.
- Create comprehensive sponsorship packages that offer flexible ways for companies to become a sponsor of ITE UW.
- Maintain seasonal contact with sponsors, creating gift packages to show appreciation towards sponsors.
- Perform class visits and other outreach related initiatives to promote ITE UW to students.
